

A) Biplot for PCA of log transformed assembly metrics

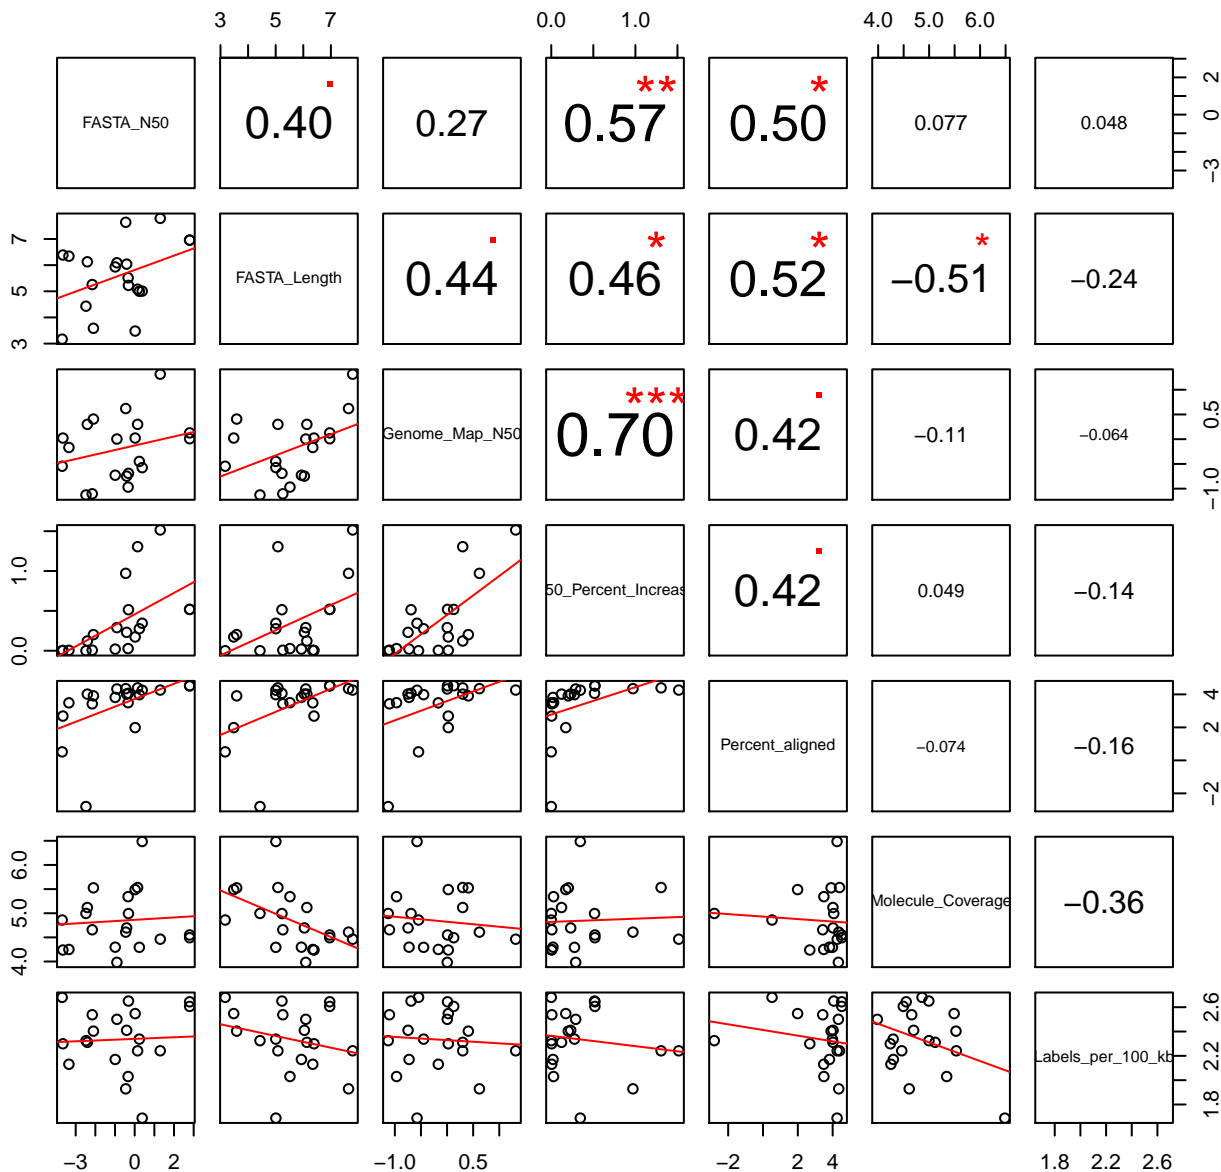

B) Biplot for PCA of log transformed assembly metrics (Draft only)

C) Correlation matrix for log transformed assembly metrics

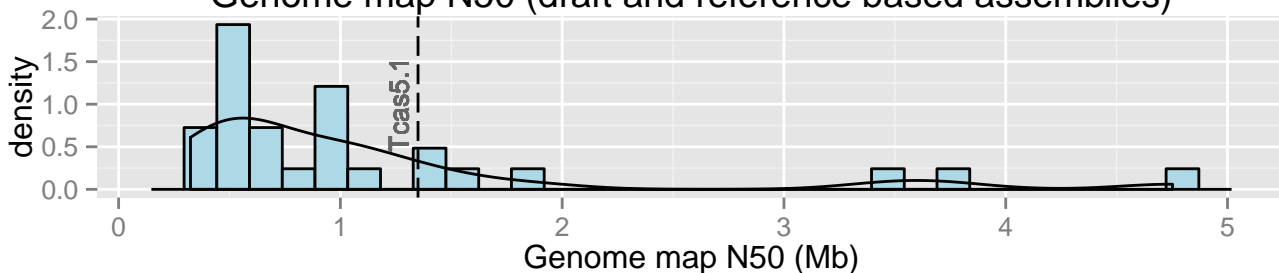

D) Correlation matrix for log transformed assembly metrics (Draft only)

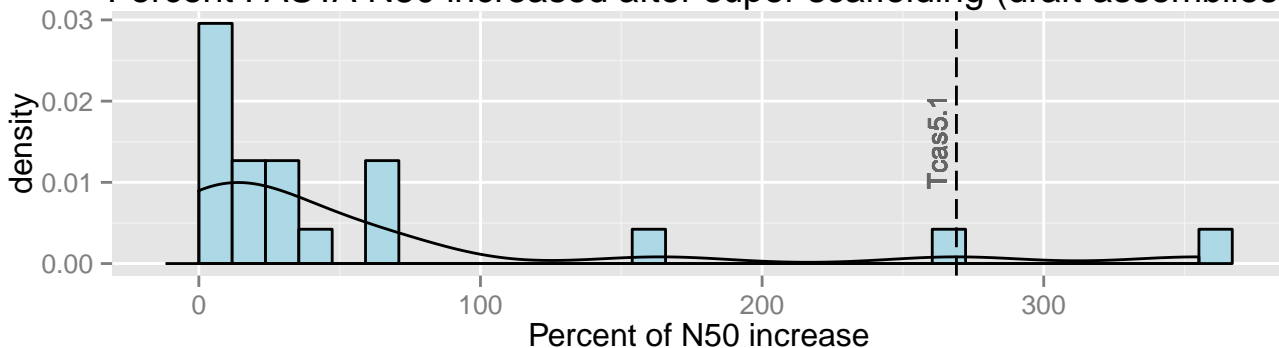

E) Assembly metrics for various genomes

Genome map N50 (draft and reference based assemblies)

Percent FASTA N50 increased after super scaffolding (draft assemblies)

Original FASTA N50 (draft assemblies)
